## INTRO TO POPE ST. JOHN PAUL II

*"Do not be afraid! Open wide the doors for Christ."*

- John Paul II on the inauguration of his pontificate

### Pray together as a large group:

My Lord God, I have no idea where I am going.

I do not see the road ahead of me.

I cannot know for certain where it will end.

Nor do I really know myself, and the fact that I think I am following Your will does not mean that I am actually doing so.

But I believe that the desire to please You does in fact please You.

And I hope I have that desire in all that I am doing.

I hope that I will never do anything apart from that desire.

And I know that, if I do this, You will lead me by the right road, though I may know nothing about it.

Therefore I will trust You always though I may seem to be lost and in the shadow of death. I will not fear, for You are ever with me, and You will never leave me to face my perils alone.<sup>1</sup>

### Spend 2 minutes in silent reflection. Ask God for eyes to see God's path for your life. Then close with a Hail Mary.

## MY LIFEGRAPH ACTIVITY

**DIRECTIONS:** Rather than looking at his call to the priesthood as a denial of his gifts of theater, academics and sports, Pope St. John Paul II viewed his past experiences as formation and preparation for the priesthood. His priesthood was a place where all of his gifts, talents and experiences would be laid at the service of Christ and His Church.

Take a moment to reflect on 3-5 significant experiences from your life and then mark them on the timeline. The events can be from your birth up to the present day. Reflect on the impact these events have had on your life and your call to serve Christ and His Church as an educator. After you have completed your MY LIFEGRAPH activity page, write your answers to the discussion questions and then share your answers with your small group.

**NOTE:** The events on your lifegraph may be highly personal and include difficult past experiences. You are not required to share anything with your small group that makes you uncomfortable. Please be empathetic to the other members of your group as they share their life experiences.

## MY LIFEGRAPH ACTIVITY
